was the great peace all around. After going
out of that room, I had then heard babblings
of a child from the nearby room, for the
door was somewhat open. I did not have
to go inside the room to see, but I saw, in
the vision, with the eyes of my soul, who
was inside that other room. I saw a
lady sitting on a wooden bench, looking
at the child that babbled and who was
sitting on the floor, by this lady's feet.
— At the time of the vision, I never
understood who these two were, since God
did not reveal to me their identity.
But now, with the words of our Blessed
Mother, this mystery was revealed to me.
The lady was our Blessed Mother and
the child was me. I was looking at my-

It is a mistake to speak of an end to Revelation and treat it as a deposit of sentences. God is active and alive and will continue showing Himself through the Holy Spirit, never stopping in doing so.
When one says in Latin: "completere", it means that Christ is the full, complete revelation of God; and not that He will stop revealing Himself to mankind. - The Holy Bible is the narrative testimony of Jesus Christ. It is not God's last word.

and making them one spirit with Mine
to inherit My Kingdom; flesh and blood
cannot inherit My Kingdom, for what is
perishable cannot inherit what lasts for
ever; then to make you understand
who is the Unique, Trinitarian God,

be healing your guilt, flowing in you
as a river, refreshing your aridity and
sterility; no one is worthy to see God,
indeed, were anyone perfect among you,
if he lacked the Wisdom and the Light

that comes from Me, he would still
count for nothing; the depths of God
are riches which are not of this world,
and to contain them without Me is
impossible; to penetrate God's motives
or understand His methods without Me,
is impossible, but were you to allow Me
to be recognized in your consciousness, pene-
trating your intelligence, I will model you
in Myself to be truly pleasing to Us;
your abandonment to Me is the only
way I could transform your mind

let Myself be seen in full clarity; I utter
words of Wisdom and as a friend who
confides himself to a friend I confide
My secrets to you, hiding none of them
